

A full and diverse range of smart technology that can be customised for all your individual requirements.

FOR ALL SMARTPHONE ACCESSORIES & DEVICES

## What is Chameleon Connect?

Chameleon Connect is a life-style, tech and gadget brand born from the need for reliable, premium quality products that embrace the latest technologies and advances in mobile phone accessories.

Whether you're a gadget-lover, geek or complete technophobe; Chameleon Connect products are designed to make your life easier, and more fun. From powerbanks and wireless charging, clip-on lenses for the keen photographer, to 3in1 selfie sticks, so you can take the perfect selfie whilst charging your device and listen to your favourite music simultaneously.

The chameleon itself is a master of its surroundings, able to adapt accordingly to its environment. This is why he's our company mascot. Our products are made to adapt, change, and blend in to your life seamlessly, also adding a splash of colour to brighten up your day.

Shown on the following pages is just a small selection of our product portfolio, if you have a specific product in mind or need a product manufactured to your own requirements - please get in touch on details below.
