

A range of garden tools
for every season

Cutting Tools [comfy grips, great cutting efficiency, easy to clean blades]

Lawn Shears

890mm (35") long handled shears for trimming grass around trees and paths. Rubberised soft grip handles.

Product No: LHS144
Barcode: 5060023961448
Pack Qty: 6

Anvil Secateurs

Anvil cutting action for branches and thicker stems. Teflon coated blade and vinyl non-slip grips. 15mm cutting capacity.

Product No: APR109
Barcode: 5060023961097
Pack Qty: 6

Bypass Secateurs

Bypass cutting action for flowers and stems. Teflon coated blade and vinyl non-slip grips. 15mm cutting capacity.

Product No: BPR108
Barcode: 5060023961080
Pack Qty: 6

Multi-Purpose Scissors

Stainless steel serrated blade for cutting netting, leather, electrical wire, chicken wire. Blade has notch for thicker materials.

Product No: MPG5200
Barcode: 5060023962001
Pack Qty: 12

Rotating Grass Shears

Hand shears to cut grass edges. Blades rotates 180° to allow cutting in different positions.

Product No: GSC210
Barcode: 5060023962100
Pack Qty: 12

Folding Pruning Saw

Folding saw with push button lock. High carbon steel quick cut blade for pruning branches and thicker stems.

Product No: PS219
Barcode: 5060023962193
Pack Qty: 12

Edging Shears

925mm (36") edging shears for trimming overhanging grass around lawn borders. Rubberised soft grip handles.

Product No: LES143
Barcode: 5060023961431
Pack Qty: 6

Telescopic Tools [simple twist and lock action]

Telescopic Hedge Shears

Twist and lock action extends from 640mm to 800mm. Teflon coated blade with rubberised handles for reduced fatigue.

Product No: THS148
Barcode: 5060023961486
Pack Qty: 6

Telescopic Anvil Loppers

Twist and lock action extends from 690mm to 990mm. Teflon coated blade with rubberised handles for reduced fatigue.

Product No: TAL147
Barcode: 5060023961479
Pack Qty: 6

Telescopic Bypass Loppers

Twist and lock action extends from 690mm to 990mm. Teflon coated blade with rubberised handles for reduced fatigue.

Product No: TBL146
Barcode: 5060023961462
Pack Qty: 6

Loppers and Hedge Shears [lightweight, great cutting efficiency]

Geared Bypass Lopper

Geared action increases cutting efficiency. Durable carbon steel blade stays sharper for longer.

Product No: RBL101
Barcode: 5060023961011
Pack Qty: 6

25" Bypass Lopper

The counter blade presses into the wood leaving the cut clean and flat. Durable carbon steel blade.

Product No: BLS105
Barcode: 5060023961059
Pack Qty: 6

Wavy Blade Shears

Wavy blade traps twigs and prevents them from sliding away from the cutting edge. Geared action increases cutting efficiency.

Product No: WHS113
Barcode: 5060023961134
Pack Qty: 6

Lightweight Shears

For cutting hardwood hedges and plants. Lightweight construction reduces fatigue and increases control.

Product No: LWH142
Barcode: 5060023961424
Pack Qty: 6

Topiary Shears

Traditional shears for shaping box hedges and topiary.

Product No: WTS010
Barcode: 5060023961016
Pack Qty: 10

Telescopic Tree Pruner

Bypass lopping mechanism with removable saw. Telescopic handle for pruning hard to reach branches.

Product No: TPS216
Barcode: 5060023962162
Pack Qty: 6

Hand Tools [carbon steel heads, wood handles with leather hanging loops]

Hand Trowel

Use for planting and cultivating soil in pots and general bedding areas.

Product No: CSH1B480
Barcode: 5060023964807
Pack Qty: 12

Hand Fork

For weeding and cultivating the soil around plants in borders.

Product No: CSHFB481
Barcode: 5060023964814
Pack Qty: 12

Transplanter

Narrow blade is ideal for planting and potting bulbs and seedlings.

Product No: CSH1RB482
Barcode: 5060023964821
Pack Qty: 12

Potting Scoop

For scooping compost into pots, shape reduces spillage.

Product No: CSPSB487
Barcode: 5060023964876
Pack Qty: 12

Dandelion Weeder

For removing deep rooted weeds without disturbing the surrounding area.

Product No: CSDW486
Barcode: 5060023964869
Pack Qty: 12

Deep Root Weeder

Designed for removing well rooted, deep set weeds.

Product No: CSDRB484
Barcode: 5060023964845
Pack Qty: 12

Weed Knife

Sharp edged for removing weeds and moss between paving.

Product No: CSWKB483
Barcode: 5060023964838
Pack Qty: 12

Lawn Moss Rake

Clears moss and thatch from lawns.

Product No: CSLM485
Barcode: 5060023964852
Pack Qty: 12

Bulb Planter

For planting bulbs, with spring loaded handle and depth gauge.

Product No: BP217
Barcode: 5060023962179
Pack Qty: 6

Dibber

Lightweight plastic dibber with depth gauge for planting seeds.

Product No: DS418
Barcode: 5060023964180
Pack Qty: 12

Cultivating Tools [strong, effective and extremely well balanced]

Double Rivets

Strong and durable carbon steel heads with double riveting. Wooden shafts with ABS plastic 'D' handles.

Digging Spade

Product No: WCSDS520
Barcode: 5060023965200
Pack Qty: 6

Digging Fork

Product No: WCSDF521
Barcode: 5060023965217
Pack Qty: 6

Border Spade

Product No: WCSBS522
Barcode: 5060023965224
Pack Qty: 6

Border Fork

Product No: WCSBF523
Barcode: 5060023965231
Pack Qty: 6

Grass/Leaf Rake

For clearing leaves and grass clippings from lawn areas. Carbon steel head with wooden shaft.

Product No: ALCL55
Barcode: 5060023960557
Pack Qty: 6

Dutch Hoe

For weeding and the breaking up of the soil surface using a sliding motion. Carbon steel head with wooden shaft.

Product No: ALCH52
Barcode: 5060023960526
Pack Qty: 6

Edging Knife

Half moon blade designed to create a neat edge to lawn areas. A turned step to avoids damage to footwear. Carbon steel head with wooden shaft and T handle.

Product No: ALEK57
Barcode: 5060023960571
Pack Qty: 6

3 Prong Cultivator

Designed to cultivate surface soil combining light forking and raking. Carbon steel head with wooden shaft.

Product No: ALCC56
Barcode: 5060023960564
Pack Qty: 6

12 Tine Rake

For cultivating soil and surface preparation. Carbon steel head with wooden shaft.

Product No: ALCGR54
Barcode: 5060023960540
Pack Qty: 6

Seasonal Promotions

Long Handled Bulb Planter

Helps reduce back bending whilst planting bulbs. Simply push down with your foot on the specially designed treads, and the hole is made.

Bulb Planter

Product No: LHBP025
Barcode: 5060023960250
Pack Qty: 12

Long Handled Wire Brushes

Designed to remove moss and ingrained dirt from wooden decking and patios/block paving. Long handled metal shaft allows for extra leverage on the most stubborn dirt. Promotional POS units available for both tools.

Patio Wire Brush

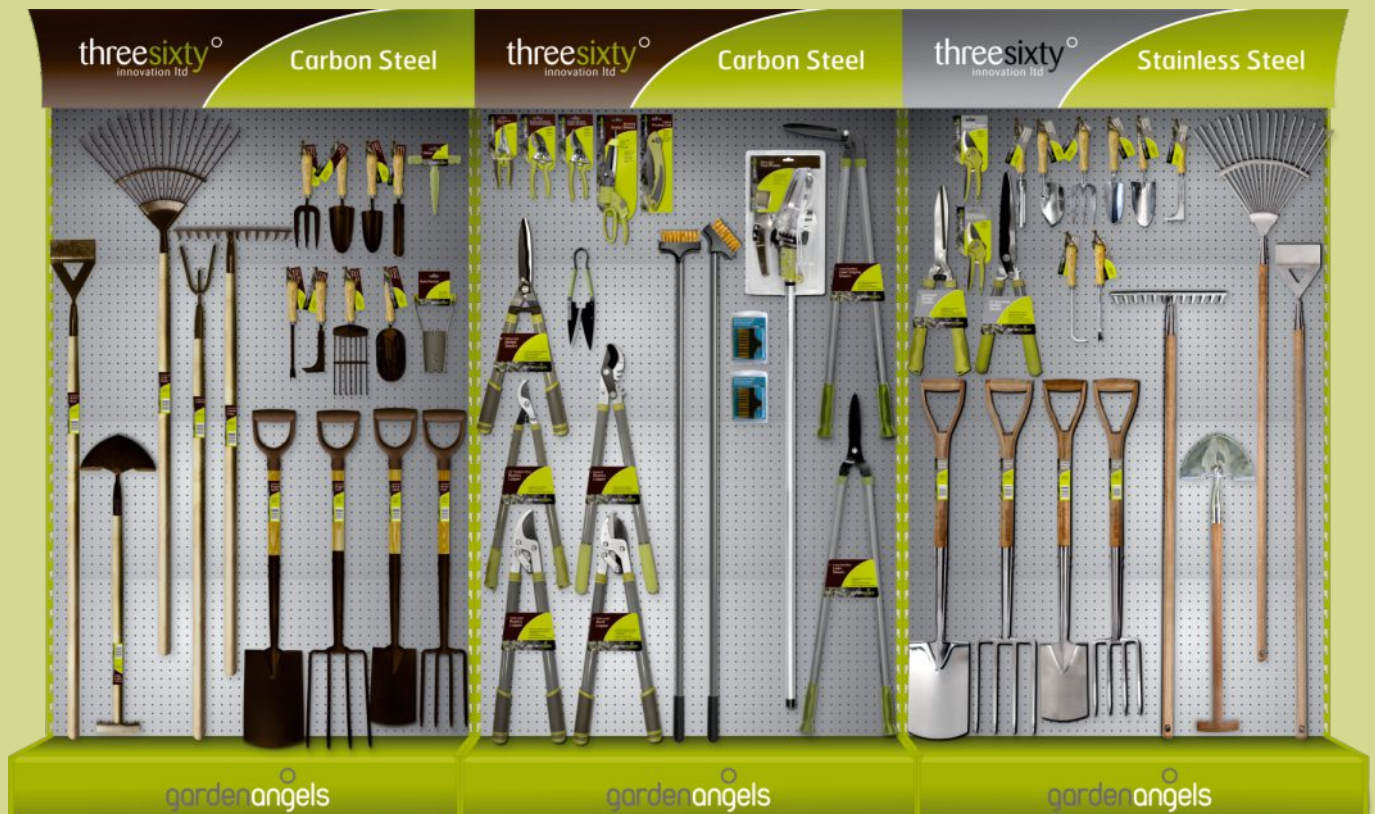

Product No: PWB345
Barcode: 5060023963459
Pack Qty: 12

Decking Wire Brush

Product No: DWB365
Barcode: 5060023963657
Pack Qty: 12

In-store Display Solutions

Packaging and presentation have a big part to play in stimulating sales and effective packaging is far more than putting products in a suitable sized container – it is all about creating points of difference because customers crave new ideas all the time. Effective merchandising supports this in enticing the consumer to pick up a product - the all important first step in securing a sale.

Secateurs and Scissors [sharp, well balanced and comfortable to hold]

Flower and Stem (Bypass) Secateurs

Carbon steel blade with soft grip handles, for cutting flowers and softer stems. Geared action increases cutting efficiency.

Product No: PBPL122
Barcode: 5060023961226
Pack Qty: 10

Branch and Thicker Stem (Anvil) Secateurs

Carbon steel blade with soft grip handles, for cutting branches and thicker stems. Geared action increases cutting efficiency.

Product No: PAPL126
Barcode: 5060023961264
Pack Qty: 10

Multi-Function Shears

High carbon, Japanese SK-5 steel blade with soft grip handles. Ideal for cutting leather, paper, string or flower arranging.

Product No: PMS124
Barcode: 5060023961240
Pack Qty: 10

Hand Tools [stainless steel heads, wooden handles with leather hanging loops]

Hand Trowel

For tending flower beds and general gardening, with serrated edge and depth gauge.

Product No: SST01
Barcode: 5060023960014
Pack Qty: 10

Hand Fork

For weeding and cultivating the soil around plants in borders.

Product No: SSF02
Barcode: 5060023960021
Pack Qty: 10

Transplanter

For preparing holes to plant bulbs, with depth gauge on blade.

Product No: SSTR03
Barcode: 5060023960038
Pack Qty: 10

Potting Trowel

Curved blade assists in general potting and composting tasks.

Product No: PT013
Barcode: 5060023960137
Pack Qty: 10

Dandelion Weeder

For removing deep rooted weeds without disturbing the surrounding area.

Product No: SSDW07
Barcode: 5060023960076
Pack Qty: 10

Pavement Weeder

For removing weeds and moss between paving and blockwork.

Product No: SSPW09
Barcode: 5060023960090
Pack Qty: 10

Deep Root Weeder

Designed for removing well rooted, deep set weeds.

Product No: SSWG06
Barcode: 5060023960069
Pack Qty: 10

Weed Knife

Sharp edged for removing weeds and moss between paving.

Product No: SSWK04
Barcode: 5060023960045
Pack Qty: 10

Spades & Forks [light, effective and extremely well balanced]

High quality mirror polished stainless steel with double riveting. Ash shafts and traditional 'D' handles.

Digging Spade

Product No: SSDS035
Barcode: 5060023960359
Pack Qty: 6

Digging Fork

Product No: SSDF036
Barcode: 5060023960366
Pack Qty: 6

Border Spade

Product No: SSBS037
Barcode: 5060023960373
Pack Qty: 6

Border Fork

Product No: SSBF038
Barcode: 5060023960380
Pack Qty: 6

Double Rivets

Foot Turn

Dutch Hoe

High quality stainless steel dutch hoe with an ash handle.

Product No: SSDH041
Barcode: 5060023960410
Pack Qty: 6

Edging Knife

High quality stainless steel half moon blade with a turned step to avoid damage to footwear. The shaft and handle is made from ash.

Product No: SSEK043
Barcode: 5060023960434
Pack Qty: 6

Grass/Leaf Rake

High quality stainless steel grass/leaf rake with an ash handle.

Product No: SSLR044
Barcode: 5060023960441
Pack Qty: 6

12 Tine Rake

High quality stainless steel 12 tine rake with an ash handle.

Product No: SSGR039
Barcode: 5060023960397
Pack Qty: 6
